Rocko and Gigi • Prologue

A lovely short story about love

https://soundwiches.wordpress.com/2025/03/19/shortstory25pbl4a/

Once upon a time, in the middle of nowhere, there was a little boy with two big problems. His name was **Rocko Popović**.

Rocko had two extra extra large ears, one on the left and one on the right. Those two paella pans were the talk of the town.

Extraordinary enormous!
Truly tremendous!

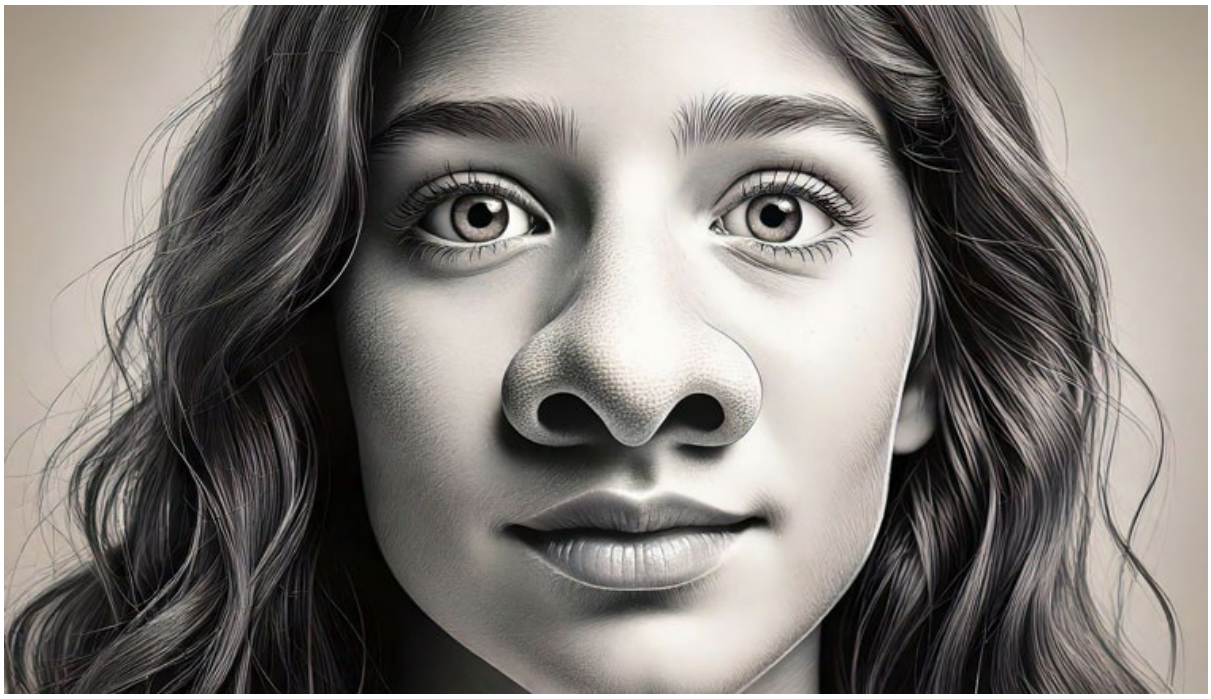
Everybody called him *Rocko Dumbović*, mocking him every minute, every hour, every day.

How sad!
How dramatic!



But one day, his miserable life changed forever.

Rocko fell in love with **Gigi Chichivić**, a lovely girl with a beautiful smile and a big big nose.

How sweet!
How romantic!
